

If you are a Retired Laborer and you are in the market for insurance in addition to Medicare, please consider a plan from UnitedHealthcare.

Choose the plan for you.

You now have the flexibility to choose the type of plan that is a good fit for your needs. If you and your spouse are both Medicare eligible, you can each choose a plan that works for you. That's why UnitedHealthcare offers different types of plans — because not everyone's needs are the same.

Choosing your plan.

Some options are here.

See the next page for an example UnitedHealthcare plan.

Other options are available.

If you don't see an option that meets your needs, you can consider other UnitedHealthcare choices by giving us a call or going online to myuhcplans.com/midwestregion. You can also learn about all the plans available in your area by going to [Medicare.gov](https://www.Medicare.gov).

If you are interested in purchasing a UnitedHealthcare plan, please contact the UnitedHealthcare Customer Service team to discuss options available to you and your spouse.
